TO

CONSTITUTION OF THE FELLOWSHIP

Inasmuch as it is our most solemn conviction that the comfort, happiness, and well-being of Man will be enhanced by the creation of an organization devoted to the purposes hereinafter expressed, and inasmuch as it is our considered judgment that the purposes hereinafter expressed may best be accomplished through the mutual assistance and association of a body of people working together for a common cause, we do hereby unite together as a voluntary association and fellowship under the name of THE FELLOWSHIP, and we do hereby adopt and establish this CONSTITUTION OF THE FELLOWSHIP.

CONSTITUTION OF THE FELLOWSHIP

Updated May 7, 2012

ARTICLE I

NAME

The name of this association shall be THE FELLOWSHIP.

ARTICLE II

PURPOSE

The purposes of THE FELLOWSHIP are the study and dissemination of the teachings of *The Urantia Book*; the promotion, improvement, and expansion among the peoples of the world of the comprehension and understanding of Cosmology and the relation of the planet on which we live to the Universe, of the genesis and destiny of Man and his relation to God, and of the life and teachings of Jesus; and the inculcation and encouragement of the realization and appreciation of the Fatherhood of God and the Brotherhood of Man -- in order to increase and enhance the comfort, happiness, and well-being of Man, as an individual and as a member of society, by fostering a religion, a philosophy, and a cosmology which are commensurate with Man's intellectual and cultural development, through the medium of fraternal association, ever obedient and subservient to the laws of this country and of all countries wherein THE FELLOWSHIP may extend.

ARTICLE III

COMPOSITION

THE FELLOWSHIP shall be composed of members associated together for the purposes expressed in this Constitution into local societies hereinafter referred to as "Local Societies," autonomous in conduct of their local affairs, but subservient to this Constitution, chartered by, and inseparably associated with, the integrant organization in this Constitution created and defined, and divided into such geographical groups and correlated by such integrated intermediary organizations as shall be provided to best serve an orderly organization.

ARTICLE IV

MEMBERSHIP

Section 4.1. Qualification: Any person who shall, as adjudged by a Local Society, evidence a desire and a willingness to learn and understand the teachings of *The Urantia Book*, and who shall declare his willingness to accept this Constitution of THE FELLOWSHIP, shall be eligible for membership in such Local Society. Membership in any church, religious organization, or fraternal society shall not disqualify a candidate for membership in a Local Society. Any person, upon becoming a member of a Local Society, shall ipso facto become a member of THE FELLOWSHIP.

Section 4.2. Transfer of Membership: A member shall have the right to transfer his membership from any Local Society to another Local Society upon obtaining the

consent of the latter and upon complying with the requirements of the By-laws of THE FELLOWSHIP.

Section 4.3. Expulsion: No member shall be expelled from membership in a Local Society unless, as adjudged by such Local Society, the attitude, conduct, or influence of such member shall be prejudicial to the interests and work of such Local Society. Upon the expulsion of a member, he shall cease to be a member of THE FELLOWSHIP and shall be disqualified for membership in any other Local Society except as hereinafter provided.

Section 4.4. Appeal from Expulsion: Whenever a member shall have been expelled from a Local Society, he shall have the right to appeal to the Judicial Committee; and from a decision of the Judicial Committee confirming his expulsion, such expelled member may apply to the Executive Committee for a review of the decision of the Judicial Committee, and the Executive Committee may accept or reject such application. Appeals to the Judicial Committee and applications for review of decisions of the Judicial Committee shall be made in the manner prescribed by the By-laws of THE FELLOWSHIP. The Judicial Committee, upon appeal, and the Executive Committee, upon acceptance of the application to review the decision of the Judicial Committee, shall have the power respectively to confirm the expulsion or to determine that such expulsion was without prejudice. In the event of the determination by either the Judicial Committee or the Executive Committee that the expulsion was without prejudice, the disqualification for membership in any other Local Society of the person so expelled shall be rescinded thereby.

Section 4.5. Members-at-large: In exceptional cases, the Executive Committee shall have authority to accept individuals who are so situated that they cannot conveniently become members of an organized Local Society. Such persons hold their membership at the option of the Executive Committee, and such membership may be at any time terminated by the Executive Committee for reasons of its own determination, or because such an individual has become a regular member of some duly chartered Local Society.

Section 4.6. Record of Membership: A permanent record of each member shall be made, kept, and preserved in the manner prescribed in the By-laws of THE FELLOWSHIP.

ARTICLE V

LOCAL SOCIETIES

Section 5.1. Organization: Whenever ten (10) or more persons shall have associated themselves together to establish a society for the accomplishment of the purposes expressed in this Constitution, and shall make application to the Membership

Committee, in the form prescribed by the Membership Committee, to be chartered as a Local Society of THE FELLOWSHIP, and shall have paid to the Membership Committee the application fee required by the By-laws of THE FELLOWSHIP, the Membership Committee, when it is satisfied that the applicants comply with the Standards of Admission of Local Societies, shall recommend to the Executive Committee that a charter be issued to such applicants; and upon the ratification and approval of the Membership Committee's recommendation by the Executive Committee, a charter shall be granted and issued by the Membership Committee and signed by the Chairman and Secretary of the Membership Committee and by the President and Secretary of THE FELLOWSHIP, and THE FELLOWSHIP Seal affixed thereto.

Section 5.2. Installation: When a charter shall have been granted and issued, the Membership Committee shall cause the persons applying therefor to be installed as a Local Society pursuant to such formalities as may from time to time be established by the Membership Committee. Upon the installation of a Local Society the persons comprising such Local Society shall become and be members of THE FELLOWSHIP.

Section 5.3. Name of Local Society: The Membership Committee, subject to ratification by the Executive Committee, shall approve the name of each new Local Society.

Section 5.4. Local Government: Each Local Society shall have a congregational form of organization and government; its officers shall be a President, a Vice-President, a Secretary, a Treasurer, and such other officers as may be desired; and these officers shall be elected for a term of one (1), two (2), or three (3) years in accordance with procedures established by each Local Society. The Secretary-General of THE FELLOWSHIP shall be notified by the Secretary of each Local Society of the names of the officers of such Local Society within thirty (30) days subsequent to their election. Each Local Society shall have a Membership Committee and such other committees as may from time to time be established by the By-laws of such Local Society. The Secretary-General of THE FELLOWSHIP shall be provided by the Secretary of each Local Society with a current copy of the Constitution and By-laws of such Local Society and within thirty (30) days subsequent to any modification of change. Each Local Society shall be autonomous in all matters of its government and activities, including the determination of its membership, except as limited by this Constitution or delegated to the General Council, the Executive Committee, or one or more of the Departmental Committees.

Section 5.5. Tithes: Each Local Society shall remit to the Treasurer of THE FELLOWSHIP a tithe (ten (10) percent) of its gross receipts, and the tithe shall become a part of the treasury of THE FELLOWSHIP. Such tithes shall be remitted to the Treasurer of THE FELLOWSHIP at such time and with such reports as may from time to time be required by the By-laws of THE FELLOWSHIP.

Section 5.6. Revocation of Charter: Whenever the conduct of a Local Society shall contravene the spirit and purpose of THE FELLOWSHIP, the charter of such Local Society may be revoked. The charter of any Local Society shall not be revoked except

Such Local Society shall be notified of the revocation of the charter by letter transmitted by United States Registered Mail from the Chairman of the Judicial Committee attested by the Secretary General. From an adjudication by the Judicial Committee, affirmed by the Executive Committee, revoking the charter of a Local Society, an appeal may be taken, in the manner prescribed in the By-laws of THE FELLOWSHIP, to the General Council. Such appeal shall be taken at the next meeting of the General Council if such meeting shall be not less than thirty (30) days from the date of the affirmation by the Executive Committee of the adjudication of the Judicial Committee, and if said next meeting of the General Council shall be less than thirty (30) days from the date of such affirmation, then at the next succeeding meeting of the General Council. The Executive Committee may suspend action on an adjudication of the Judicial Committee for a probationary period, but the failure of the Executive Committee to take any action within sixty (60) days after such an adjudication by the Judicial Committee shall constitute a disaffirmance. A disaffirmance by the Executive Committee shall constitute a final determination dismissing the petition to show cause. Any Local Society against which a petition for the revocation of its charter shall have been filed by the Membership Committee shall be entitled to representation by counsel in all proceedings relevant thereto. Upon the revocation of the charter of any Local Society, the persons comprising such Local Society shall automatically cease to be members of THE FELLOWSHIP, and such persons shall be disqualified for membership in any other Local Society except as hereinafter and hereinbefore provided.

Section 5.7. Special Dispensation to Members: Whenever the charter of any Local Society shall have been revoked, any member of such society may petition the Judicial Committee for special dispensation; and if the Judicial Committee shall determine that the loss of such person's membership in THE FELLOWSHIP should be without prejudice, and such determination of the Judicial Committee shall have been ratified by the Executive Committee, the disqualification of such person for membership in any other Local Society shall be rescinded thereby.

Section 5.8. Inactive Status: Whenever a Local Society shall fail to comply with the requirements of the Constitution and By-laws of THE FELLOWSHIP, such Local Society may be placed on Inactive Status by the Secretary- General with the approval of the Executive Committee and the members of such Local Society shall become Members-at -Large of THE FELLOWSHIP. The Local Society President and Secretary of last record shall be given notice of the change in Local Society status to Inactive by the Secretary-General of THE FELLOWSHIP and each Local Society member of last record shall be notified of change from Society Member to Member-At-Large. An Inactive Local Society is unable to participate in the Triennial Delegate Assembly unless all requirements are met no later than sixty (60) days before the date

of the called Triennial Delegate Assembly. THE FELLOWSHIP Constitution and By-laws require a Local Society to do the following:
