

## Education Committee Report

For the Year 2011

I am pleased to report that The Education Committee accomplished all of goals that it had established for itself for the year 2011. These are as follows:

- Members of the Committee presented two educational workshops at C11.
- The committee presented two intensive workshops, one to the Florida group and one to the NY Society.
- Presented the Big Questions Seminar in Chicago at which seven young non- readers participated. It was very well received.
- Wrote several articles for the Mighty Messenger.
- Continued enlarging and improving the Education Committee website.
- Initiated preparation for the SSS 12. We hope to attract new readers and non-readers.
- Created a program for children at SSS 12, to make it possible for families to attend.
- Initiated planning for Wrightwood Series.
