This report covers what time period? (example: 'Year-end 2013')

2013 mid year

What are your committee's accomplishments this year?

The Membership Committee chose to use a Constant Contact internet survey to poll the Members-At-Large (MAL). Please see the attached survey with its results. This survey was sent out to 300 MALs 2 times over a several week period.

Ultimately, we had 46 responses. While 58.6% of those that responded said that the Fellowship should have a way to represent MALs that number is in reality 27 out of 300 registered MALs. 32 respondents said that they would join a society if it were available.

The survey also asked if anyone wanted help in starting up a new study group. 15 people asked for help. At this time Membership is working with Out Reach and Education Committees to help facilitate the formation of new study groups. We will be using the "Zone" project to help us develop study groups.

What are your committee's goals for next year?

Assist the 15 members that asked for help starting study groups.

Please list the people on your committee

Jackie Koury, Larry Geis, Robert Buscelli, Nick Curto, Hal Rainbow, Dan AmyxCayce Snider, Lara Amyx
