

Creating with Your Divine Partner: Mind, Spirit & Soul Empowerment

All through the ages men and women have strived for spiritual contact to achieve the heights of joyful living. In this workshop you will experience methods of Spirit contact using the healing arts. Experience meaningful transformations of your human mind as you begin to see from your highest divine mind. Transfer your seat of identity to your soul-self, your combined human and Divine mind under the dominance of His Creativity and Guidance. Find your maximum of inner peace, inspiration, creativity, and personal spiritual growth. Join us and share your spiritual insights, goals, experiences and inspirations. Creating Spiritual Healing Art will guide you safely on your inward journey into Divine Mind and Creative Cosmic Consciousness.

THE SPIRITUALLY CREATIVE DIFFERENCE.

*You are invited to participate in an "Art and Spirit" workshop.
You will fine-tune your spiritual perception and meet soul-filled, creative people.
Explore your most exciting life ideals through the Healing Arts.
Have fun and share your dreams and visions together*

"Through your creations of spiritual imagery with drawing, writing, painting & collage, you will experience true spiritual insight and empowerment. Coordinate your Soul-Self with your Divine-Spirit for a maximum life transformation".
