

Help bring *The Urantia Book* to the Middle East

A new way to support the Turkish translation of *The Urantia Book*

With the help of generous donations, the Translation Oversight Committee of the Urantia Society of Greater New York has posted the first 34 papers in Turkish on <http://www.theuniversalfather.com>. That's the good news!

Our challenge is to keep the translation flowing. Our current funds will be exhausted by December. Can you consider making an annual pledge and having monthly increments automatically deducted from your bank account? Annual pledges of any amount will enable the translation to proceed smoothly.

Here is some math: just \$10 pledged monthly will accumulate \$120 in the translation account annually; \$50 a month will pay for the translation of one entire paper each year. Our translator works at the rate of two papers a month so you can see how valuable these incremental gifts are to our goal of putting a translation of the entire Urantia Book in the Middle East within the next five or six years.

To contribute financial support by making an annual pledge (twelve separate monthly transactions) and have these automatically applied to your credit card:

1. Go to <http://www.urantia-nyc.org/turkishtranslation.html>
2. Under "Annual Pledge," select the appropriate *monthly* amount
3. Click "Subscribe"
4. Follow the prompts to enter your account information

Please don't hesitate to make a onetime donation, if you prefer. You can use the feature above and select the "Donate" option, or you can send your donation via check payable to SGNY Translation to: Turkish Translation, c/o Clark, 4 Horizon Rd. Apt. 1202, Ft. Lee, NJ 07024. USGNY is a federally tax-exempt 501(c) (3) organization and your contributions are tax deductible to the maximum amount allowed by law.

We thank you for your genuine continuing interest and generosity.
