

URANTIA FOUNDATION

INTRA-OFFICE MEMORANDUM

FROM Christy

DATE November 16, 1971

TO Bill Hales

SUBJECT Better Business Bureau Complaint

Enclosed find original and copy of a "Better Business Bureau Service Form" containing a complaint from Alfred Aaron, 2404 - 64th Ave., Oakland, California 94605 ~~making complaint~~ about our failure to supply proof about the authors of the Urantia Book.

I am also enclosing copy of a letter we wrote to Mr. Aaron on March 10, 1970.

I am also enclosing a copy of our Declaration of Trust, as well as a resume of the Urantia Book, and a page describing the Urantia Foundation. I think if the Better Business Bureau obtains these three pieces of literature they will be satisfied that Mr. Aaron's complaint is out of order. He has no reasonable grounds for complaint in any instance.
