URANTIA

URANTIA FOUNDATION
533 Diversey Parkway
Chicago, Illinois 60614

Gentlemen:

After my third reading of the URANTIA BOOK, I find my interest increasing in the theology it teaches and the people who share its views. I have never talked with anyone who knew anything about your foundation or the organizations connected with it.

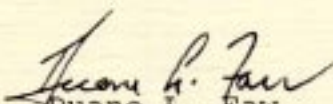

I would like to meet with those who have found the same values in the book which I have found, if such a group or groups exist in Southern California. There is much I would like to know about your foundation and the URANTIA BOOK itself.

For example, how did the manuscript get from the Authors to the publisher? Although the profound impact of its contents convinces me of the value of the book, it would help to know something about its history when telling about it to others.

I have either purchased or caused the purchase of every URANTIA BOOK I could find, and still I need more copies. The supply is limited in this area. Is it possible to purchase books directly from the foundation? If so, what is the price?

In short, this letter is to request that you send me whatever material is available concerning the URANTIA FOUNDATION, the URANTIA BROTHERHOOD, the history of the URANTIA BOOK, etc. I would like to know more about your work.

Sincerely,

Duane L. Faw
