

Dear Sirs: Addressed to  
U. Foundation 7/24/58

I am fascinated by the  
Urantia Book and have  
several friends who share  
my interest. (I got my copy  
from Rev. Sprunger, Culver,  
Indiana)

Enclosed money order,  
some extra books 7/25  
Please send me 4 (four)  
copies of the book — one  
for my girl friend going to  
college, and the rest to  
loan.

also I would like to sub-  
scribe to the Brotherhood News  
Letter and have a copy of  
the Urantia Brotherhood Con-  
stitution.

If I am ever in Chicago,

am I free to stop by and meet those of you at 533 Diversey? (2)

I am 17, a part-time radio announcer, a member of the Congregational Church (recently merged with the E & R) and convinced of the basic Truth of the Urantia Book. However, there is a rutted path ahead before it is completely accepted. If some fundamentalists burned the RSV of the Bible, what of the Urantia Book? I doubt whether the light provided by burning the book will lead many men from darkness....

I may become a preacher
