Memo to Trustees of URANTIA Foundation and URANTIA Brotherhood:

There is being prepared an authoritative history of the URANTIA movement. When this is finished, it will be available for future reference. Thus, at the present time there is no need for this particular multi-media presentation. Also, this would not be usable because of the many inaccuracies and mis-quotations contained therein.

In addition to being a "History of the URANTIA Movement," the presentation contains material concerning the origin of The URANTIA Book which is not for publication.
