Dear Vern:

Many thanks for your latest quarterly report. The Trustees will review it at our next meeting.

Meanwhile, we will write to URANTIA Produce. I think it would be best for you to visit Billie Hobart and evaluate the situation before we write to her. We can't permit her to use quotations without approval. I think your investigation may be more productive before we write than after.

It looks to us like you handled the EOOM problem in your characteristic masterful fashion. We must keep ourselves free of groups such as this.

We all appreciate your heading Ji off at the pass. He is another individual we must keep at arm's length.

We are looking forward to our visit with you later in the month.

Sincerely,

Thomas A. Kendall,  
President
