

UNIVERSITY OF DELAWARE

CAMPUS MAIL Newark, Delaware.

30th June 1955

Dear Mr Adler :

At long last I have your letter stating that the Brotherhood has been organized and the the BOOK is being printed. I have for some time been out of touch with mail, but am now, during my annual leave from Army duty, teaching at the University of Delaware - this following my recent acceptance of a Doctor of Science Degree from the University of Alaska.

Herewith please find a check for \$60 for twelve month's subscription toward the budget of the respective committees of the Brotherhood and a check for \$100 toward the distribution of books by the Foundation.

I would also like to buy and pay for, at the price decided upon, at least 20 copies of the BOOK as soon as they are available from the printers and I can promise that the distribution of the books I buy will be to people of a character that would meet the approval of the members of the Foundation

The best address to reach me is still 37 West 53rd Street. New York. 19. N.Y although sometimes, when I am travelling furiously overseas, it is some time before I can collect mail.

With best regards and best wishes

Sincerely yours

Hubert Wilkins

P/S. I presume that once the Committees are in action subscribing members will periodically be informed as to actions discussed and taken.
