FRAMINGHAM, MASS  
19 October 1956

DEAR DR KULIERE:

Thank you for the copy  
of "Summary of Events of the Third Quarter"  
1956  
and I am happy to know that Chapter  
No 2 of the URANTIA Brotherhood has  
eventuated.

It was sad news that Wilfred C  
Kellogg has passed on and I among  
many others, no doubt, ARE looking forward  
to the publication of the Index to  
which he gave so much of his precious  
time.

I have had several most encouraging  
results from recipients of books I  
have passed on and I would be glad  
to purchase 5 more copies. Could  
you please pass this information on  
to the custodians and as soon as I  
receive notice of the cost, including  
postage, I will forward a check to  
cover the outlay.

Parcels and communications should,  
until further notice, be addressed to

Yours Sincerely  
(Six) Hubert Wilkins
