

IF THE SUPREME BEING COULD SPEAK TO US.....

-and if we could hear him, it seems to me that he would include something of the following:

"I AM THE SOUL OF THE UNIVERSE!"

The soul is the vehicle of spirit. Where there is soul expression, there is beauty of spirit.

The KEYNOTE of my message to you is HARMONY---through balanced forces.

The old age is dying and a new age is being born. The earth is moving in a new rhythm as it plunges through space. The vibratory movement of the life forces is quickening with each day, bringing expansion of consciousness and new understanding to those who are attuned to the new rhythm.

Lift your spirit high and give close ear to the still places ---where you may hear my music. My keynote is harmony, and the theme of my song is BALANCED FORCES. Come out of the shadows of illusion into the sunlight of truth, beauty, and goodness.

I bid my people to hold fast to the unity of spirit. It is my desire that my people give thought to the changing forces of the world - that they may be ready to flow with me. For I AM -the soul of the universe, and where I flow, a new state of consciousness is awakened. My stream is widening, and it's current flows deep. While turmoil and strife increase in great measure, I beseech you to hold fast to HARMONY!...that you may not be swept into the vortex of UNBALANCED FORCES ...where you will lose your way.

I bid my people to lift their consciousness to me that they may recognize ME -as I walk among those of them who can respond to my FORCE -as it gains in INTENSITY and POWER!

Side by side the people walk, One is taken and the other is left. The time is very short before the separation of the old and the new.....as the earth quakes and trembles,.. for in the process of transmutation, it's very heart will be torn asunder.

TRANSMUTATION is doing powerful work at this time through-out the sphere of Urantia, and what is accomplished in earth, is accomplished through the bodies of the people.

ALMIGHTY forces are sweeping through all forms of life,-- and where there is no balance ---there will be a tearing asunder which will cast many into darkness and disintegration.

Death of itself should be a thing to be desired, and death of the body is a NATURAL thing, but death of spirit--- is an abomination unto the Supreme!

My heart is torn with mercy toward your gropings after development and the practice of GRIEVOUS impatience. ALL is not striving and action..... but PERSEVERENCE in SELF-improvement.

Each soul must stand alone now, to sear, or fall. Many souls are retrograding... because they have not built their house on a foundation of HARMONY! Those who dwell in harmony with the law of life will stand on a firm foundation,..and will feel only the REFLEX from the chaos of reconstruction!

They are called to assist in lifting the consciousness of man into NEW REALMS of meanings and values.....where HARMONY will make his place in the SONG OF LIFE., secure, and within the law.

THE LAW OF LIFE IS LOVE! Love holds the life-forces together in harmony. Life in it's ENTIRETY...is a great marriage song!

Make HARMONY the rule of your lives, I beseech you, that you may feel my guidance..... through the chaos.....into PEACE and LIGHT!

RIGHT ROYALLY do the circuits of SPIRIT and POWER form the TRUMPET of the TIMEKEEPER! It's tone-power fills the air and the children of men are trembling for lack of understanding of ME!

We who are the guardians of URANTIA are ~~close~~ to the consciousness of the people who have EYES to SEE, and EARS to HEAR. I pray you...listen to our guidance...that new activities shall not startle you.....and BLIND you! The light of TRUTH is blinding indeed to those who refuse to move forward with PRINCIPLE, COURAGE, COMPASSION, and LOVE! Be willing to accept TRUTH as your guide.

While on your planet, Jesus said: "you must either make the tree GOOD, and it's fruit GOOD, or else will the tree become corrupt, and it's fruit corrupt". (1714:4)

Basic truth must be expressed in terms of living! ..and not through mental concepts gained through intellectual learning. Time may be better employed by mastering the law of balance in every-day living, ...than by committing to memory -intellectual theories of life.

It is a part of wisdom to recognize that every act of the people is felt throughout our experiential universe.

FAITH waits a long time...and it is kind! It waits for beauties of character to show themselves in men.

EARTH is HOLY GROUND. The whole scheme of creation expresses itself in the realm of your earth-planet...the same as it does in the whole of the GRAND UNIVERSE!

So be among my children of LIGHT who are lifting their consciousness to the height of it's expansion!-and assist the Gods in SAVING the sphere of Urantia from destruction!

In spite of the alarming note in my message ..I wish you to understand that the path is clear for those who are unafraid,..and a vast host of these ^{Radiant} ~~people~~ are advancing toward the peace which balanced forces GIVES!

The Gods are diligently seeking free, harmonious, men and women to assist them in establishing a nucleus of balanced forces, that LIFE, on your planet, may progress!

The polarization of the spirit and material forces IS CREATIVE...in the highest sense!

KNOW YOU THIS: age old towers are falling, but when the noise of their falling is heard no more, new and rare manifestations of SPIRIT and POWER ..will create a world of HARMONY ..and BEAUTY!

Move forward in the realm of SERVICE and TEAMWORK ..if you would contact FINER realms of consciousness.....and experience the PURE JOY of the SUPREME!

Give a few moments each day to silence. Ask to be shown the method by which you can have a part in stabilizing the chaotic forces. According to your deep DESIRE to assist in this matter, will you be shown.

HARMONY MUST BE THE KEYNOTE OF YOUR DAYS!

I, THE SUPREME BEING, HAVE SPOKEN.

In closing I would like to say - that when you encounter emotional problems - say to yourself; "Balance your forces!" -
