

CREATURE-CREATOR SYNTHESIS

In the persons of the Supreme Creators the Gods have descended from Paradise to the domains of time and space, there to create and to evolve creatures with Paradise-attainment capacity who can ascend thereto in quest of the Father. This universe procession of descending God-revealing Creators and ascending God-seeking creatures is revelatory of the Deity evolution of the Supreme, in whom both descenders and ascenders achieve mutuality of understanding, the discovery of eternal and universal brotherhood. The Supreme Being thus becomes the finite synthesis of the experience of the perfect-Creator cause and the perfecting-creature response. [UB 117:1:2 (1278:7)]
