

# The Eternal Isle of Paradise

We speak of that surface of Paradise which is occupied with personality activities as the upper side, and the opposite surface as the nether side. The periphery of Paradise provides for activities that are not strictly personal or nonpersonal. The Trinity seems to dominate the personal or upper plane, the Unqualified Absolute the nether or impersonal plane. We hardly conceive of the Unqualified Absolute as a person, but we do think of the functional space presence of this Absolute as focalized on nether Paradise. [UB 11:2:8 (1199)]
