

### **1) Primal Undeified Reality**

- Ranges from the nonpersonal energy domains to the reality realms of the nonpersonalized values of universal existence.

### **2) Primal Deified Reality**

- Embraces all of infinite Deity potentials encompassing the domain of all that which is personalizable and more.

### **3) Primal Interassociated Reality**

- The liaison of a vast domain of co-ordinate realities (potential and actual, personal and impersonal, physical and spiritual, etc.).

### **4) Actual and Potential Reality**

- Realities existing in fullness of expression in contrast to those which carry undisclosed capacity for growth.

### **5) Absolute and Subabsolute Reality**

- Eternity existences and either absonite or finite realities.

### **6) Existential and Experiential Reality**

- Eternity (eg, Paradise) and time (eg Supreme) realities.

### **7) Personal and Impersonal Reality**

- The mind-spirit-personal realities and those things which center in the Eternal Isle of Paradise.
