

TRIODITY-DRIVEN GROWTH OF THE SUPREME

The Seven Absolutes of Infinity

Any consideration of the growth of the Supreme must give consideration to the existential triodities, for they encompass all absolute actuality and all infinite potentiality (in conjunction with the First Source and Center). And the evolutionary Supreme is the culminating and personally volitional focus of the transmutation--the transformation--of potentials to actuals in and on the finite level of existence. The two triodities, actual and potential, encompass the totality of the interrelationships of growth in the universes. [UB 115:4:1 (1264:0)]
